

SUPPLY LIST FOR SERGER SPECIALTY FEET PART 2

There are many other options for these techniques, so if you have different ideas, please share them with us. Feel free to substitute as needed.

If you want to stitch along with me during Part 2 of Serger Specialty Feet, here's a list of what you'll need. If you plan to watch the class and gather your supplies when convenient, these are suggested guidelines.

3 cones serger thread (any color)
ELx 705 needles size 90/14 or 80/12

Compensating Foot C12

- 12" length of cotton webbing (Strapping)
- 12" square of interfaced cotton fabric

Double Fold Binder Size 10/36mm

- (1) 20" x 1 3/8" strip of knit fabric (cut on crosswise direction)
- 12" x 7" fabric (knit or woven): cut a shallow scoop neckline shape out of 1 edge

Note: If you have a different width binder, check the instruction sheet for the correct width of binding strip.

All binder widths work on the same principles. If you plan, to use woven fabric, it should be cut on the bias grainline.

Single Fold Binder C22 40mm

- 20" x 1 5/8" strip of knit fabric (cut on crosswise direction)
- 12" x 7" fabric (knit or woven): cut a shallow scoop neckline shape out of 1 edge

Note: If you have a different width binder, check the instruction sheet for the correct width of binding strip.

All binder widths work on the same principles. If you plan to use woven fabric, it should be cut on the bias grainline.

Clear Curve Foot C23

- **(1)** 8" x 15" interfaced quilting weight cotton (or any fabric you prefer)
- **(2)** 12-wt decorative threads (if you have them) or you can use all-purpose or serger cone threads

Belt Loop Folder (3 widths available)

I will use the widest one that has a finished width of approx. 7/8".

- **(2)** 20-22" x 1 5/8" strips of woven fabric (cut on straight of grain or bias)
- **(1)** 5/8"-or 7/8"-wide 24" length of grosgrain ribbon (optional)

25mm Hemmer (1") C31-25

- **(1)** 6" x 22" quilting weight cotton or knit fabric
